

## Why in Europe ?

- Scholarships, grants and other funding which makes the studies affordable, MBBS at an affordable cost
- World recognised degree, which will open to you a variety of career opportunities either in your home country or in other countries – medical education plus language fluency are in high demand everywhere
- Medicine graduates can mix and match from over 60 specialist areas of medicine in a way that most interests them, giving the degree a lot of variability.
- The universities are approved by the major organizations like WHO and enlisted with MCI.
- Admission process is simple and hassle-free
- The course prepares the students to clear the competitive exams like NEXT, USMLE and many more.
- No Donation or Capitation Fee is required
- Opportunity to get great International Exposure
- Numerous options available for Post Graduate or Clinical residency Programs
- Medical Universities have a large number of affiliated hospitals which gives extensive exposure and experience for the students.

## Why do Medical Aspirants Go Abroad

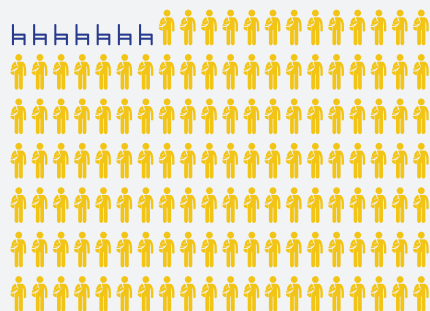

India has about  
**70,000**  
medical seats

No of students seeking  
to study medicine annually  
is over  
**10 LAKH**

Those who  
cannot secure  
a seat in India look for  
options abroad

Most colleges abroad  
charge about  
**15- 25 LAKH**

Over 50% of medical seats  
in India come under  
private medical colleges  
that charge a hefty fee:

**50 LAKH TO  
1 CRORE**
